## **PUT YOUR EAGLE ON THE PICKET FENCE AT CAMP TONKAWA**

Camp ranger Charlie Moon started a picket fence along the first driveway entry to Camp Tonkawa. Each Camp Ranger has continued the fine tradition of the Eagle Scout Picket Fence. Each picket is to have the name of an Eagle Scout with the year the rank was earned and the troop in which it was earned. When that side is filled, he will find another place to continue the fence.

The Eagle Scout himself can purchase the picket for \$15.00 or a relative or friend may do so.

The funds raised will go into a fund for maintenance equipment at Camp Tonkawa.

If you haven't been to Camp Tonkawa lately, you should visit to see all the changes and improvements, which have been made.
