

National Camping Award

Recognition

A ribbon streamer for the Unit flag which will be presented at the Roundtable following submission and approval of the application. The unit will be listed in this category in the printed program for the District Awards and Recognitions event. This application is to be turned in by December 31 with the unit recharter.

Requirements

The National Camping Award is designed to recognize troops who go camping during the year. Your troop may qualify in two categories as you begin to expand your camping program: yearly and cumulative.

1. At least 50% of your troop must attend resident camp
2. On other campouts, at least 33% of your Scouts must be in attendance for each 24 hour period to count as a camper day to qualify for the troop ribbons
3. A record is kept by your troop of the number of days camped each year
4. Your unit commissioner or district camping chairman may approve the application for recognition

Individual Cumulative Patch

Individual Scouts and Scouters may qualify for the cumulative patch by participating in campouts with their families, patrols, or other groups
