# T.C. Campbell Camp Scholarship Fund (Webelos Camp)

Thanks to a good friend of Scouting, Mr. T.C. Campbell, money has been set aside for camp scholarships at Camp Tonkawa. The scholarship fund is **ONLY** for scouts who would not attend a summer camp program without some financial help. Unit leaders are encouraged to select only scouts who need financial help for these scholarships and help them earn a portion of their fees.

Before **June 8<sup>th</sup>** the Webelos Resident Camp fee is \$110.00, The scout is required to pay **\$60.00** and the balance will be paid by the scholarship fund.

**All applications must have the proper paperwork attached before they will be given to the Council Executive Committee for consideration.** Each unit **must** have the following letters on each scout before the application will be accepted: 1. A letter from the parent or guardian of the scout must be attached explaining the need for assistance. 2. A letter from the unit leader explaining the need for assistance for each individual scout on the application is also needed.

**The scholarship is based on the need of the scout as well as the amount of funds in the T.C. Campbell Camp Scholarship Fund.**

No application will be accepted after **June 8<sup>th</sup>** on any scout unless that boy was not registered with that unit until after the deadline.
